

# Real Estate is Local...

## YOU NEED LOCAL EXPERTISE

**PATRICK PARKER REALTY IS YOUR LOCAL MARKET LEADER.** We looked at the results of the twenty largest real estate companies in market as measured by closings and volume.\* These fine companies encompass a wide variety of business models and an equally wide variety of company size. They also include the local arms of over seven of the largest real estate companies in the United States. And we found what we have always known: **size doesn't matter when it comes to selling homes at a great price; local market expertise does.**
